Drawing a manga series has given me the freedom to express,
thus I don't have anymore regrets. But if there's any regret,
I would say it's a pity that I didn't draw Yuki's story...
The stories for Gin and Baku are drawn together.
I also thought of a cute story to draw about Yuki,
but before I could complete it, the series ended.
Forget it, it doesn't matter. Perhaps this might
be better since this fits Yuki's image better.
He can remain mysterious forever!

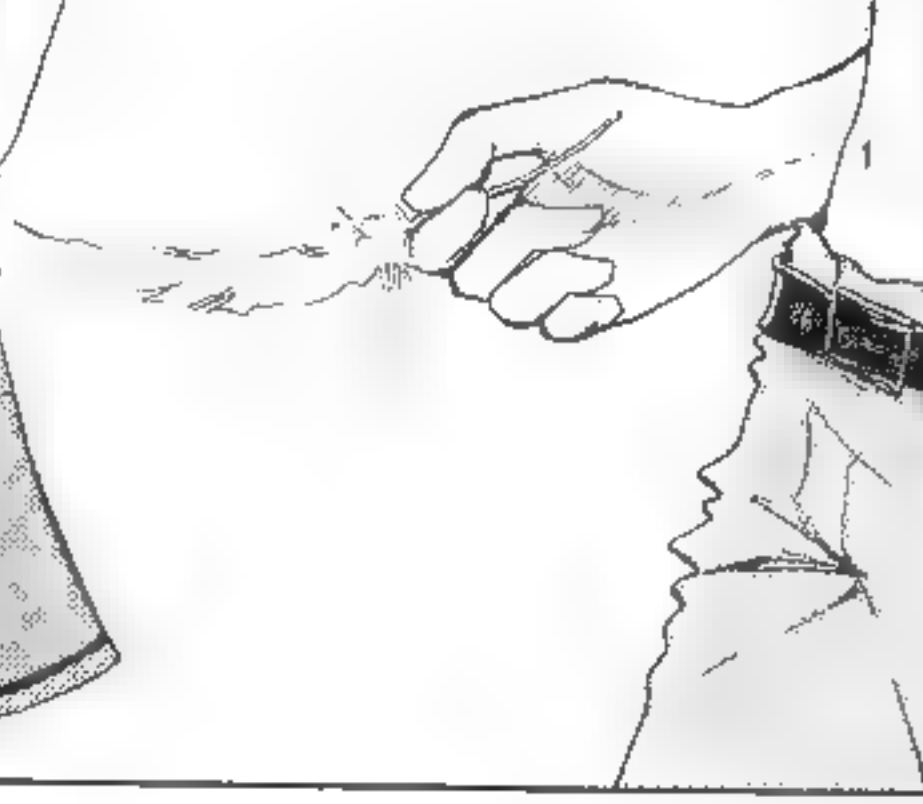
Haine...

Didn't I tell you before, what does this feather mean?



Frankly, I feel Kurou can't win against Haine in terms of martial arts. (With that in mind) In comparison, he's the strongest crow demon. 'He has grey feathers because he is a descendant of the white crow'. This is not true. Haine's mother didn't really mean this when she mentioned it. But for a teenage Haine, it was a boost of confidence.

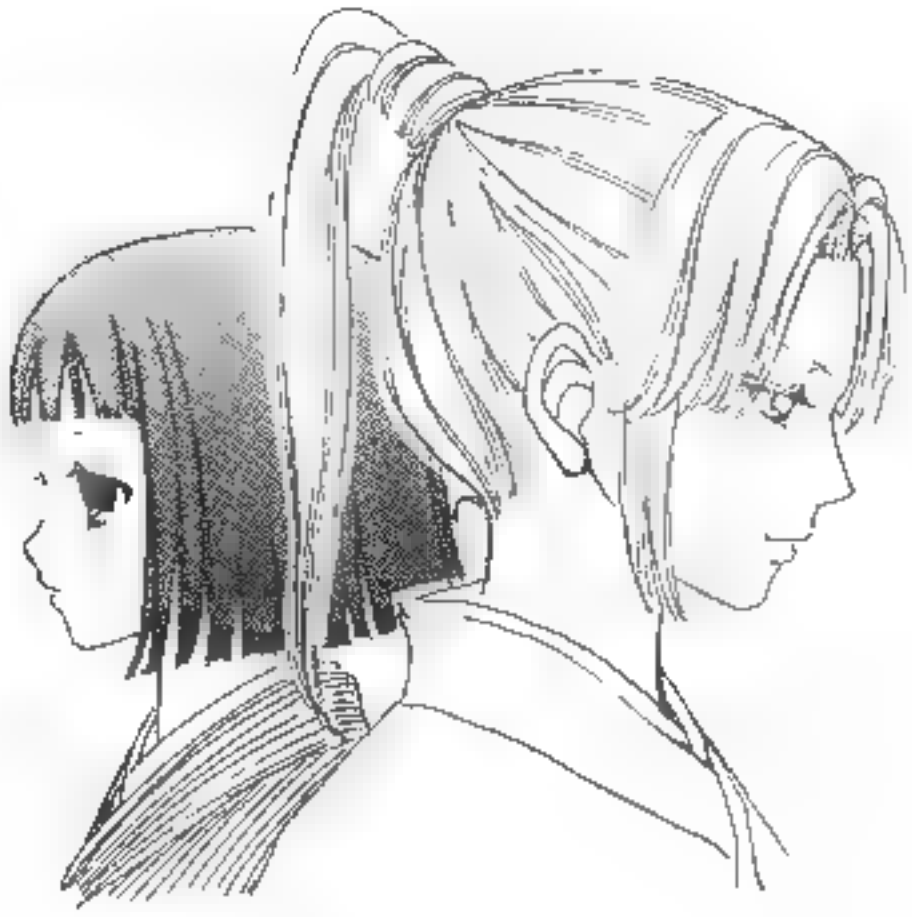
What... what do you mean?

White crow...

...Let me tell you the true story behind the legend.

as long as you disappear, the Demon King will naturally disappear too.

The principal's childhood playmate was Hitomi's grandmother when he was a human being. The principal always has a gentle expression whenever he sees Hitomi as she resembles her grandmother. Perhaps this is the reason why the weirdo Hitomi has continued to stay at the SM High School premises for the past hundred years.



At the moment, when he was going to burn down the last village...

A long time ago, there was an evil Demon King who set fire to the entire world...

The true story... behind the legend?

And saved the world.

She defeated the Demon King...

Suddenly a white crow flew across the sky...

The white crow's feathers can fulfill any of our wishes...

All the monsters and humans who believed these words...

This is the story of the white crow.

The true story behind this legend...

How could they do this...?

Sure that the white crow could fulfill their wishes...

Captured and hid the white crow...

He searched the depths of the world for the white crow...

the Demon King was furious and sad.

His lover has been snatched away...

The white crow has a lover, everyone calls him the "Demon King."

If this continues, the whole world will disappear...

After seeing her lover become hysterical, the dismayed white crow...

He destroyed everything just for the sake of destruction.

The Demon King gradually forgot his initial goal.

But after going through countless blood baths...

She stabbed her lover, straight through his heart!

Took her last remaining feather and transformed it into a sword. All the rest of her feathers have been plucked by her capturers.

After losing him, her body...

disappeared too...

Starting with the existence of the lovers, the Demon King and the white crow.

And now, history repeats itself...

This is the true story behind the legend.

...This means...

who are you sug-gesting it is?

The Demon King...

If the white crow disappears, the Demon King will disappear too.

The answer is obvious, right?

Only if I destroy you, I can then save the world which is facing its destruction!

Don't you dare touch Hiyo!

Is she suggesting.

You're here, Kurou...

Kurou...

...?

No...

DEMON KING!!!

Kurou is our... son...

...Stop! Miyako...

Where's Haou-sama?

Why are you here?

My love!

Ahh-hh...

What a pity...

It looks like there's only the white crow in Kurou's eyes...

!?

My father... has disappeared too.

Personally I like this drawing.

Wait, Miyako...

Let go of me!

Looks like I have to handle this on my own...

NO!

You're Kurou's mother.

EH?!

Even if you're the 'goddess' who created this world,

...You knew this?

...yes.

Come on... I'm your husband.

you can't change this fact!

I'm the monster who is known as the 'goddess'.

That's why I don't know how to love a man,

and I also don't know how to love my own child...

I can create as many lives as I want.

I don't have the slightest sadness, even knowing that you're going to disappear soon.

No...

That's not true...

...

Didn't you chase me away so that I could seek solace at my father's place?

Then why did you confront the white crow, instead of trying to defeat Kurou?

you do have feelings,

Miyako...

This shows that...

want to separate us...

...They...

No...don't, Kurou! Don't kill him!

He's your father!

They are our enemies!

Don't kill Kurou...

...Pro-mise me...

KUROU!

Else, your loneliness...

is going to haunt you for eternity...

our son...

Why don't you have some faith in...

My...loneliness?

No matter what...

becomes of him...

Ah...

...You're such an idiot...

Therefore... I tried my best to stay away from you...

How- ever...

I was going to kill you one day...

I knew this the very first time I met you...

You were the first person who wasn't afraid of me,

and was willing to stay close to me...

!?

Kurou's mother is going to disappear too!

ホホホ

Who is she?

What's wrong?

How does it feel to be killed by your own son?

...Marilyn.

Thank you for letting me witness such a boring dramatic scene.

I want to destroy the world that you created.

I'm going to create a brand-new Demon King and a brand-new world!

I'm the one who turned your son into the Demon King!

!?

But, you better take a look at your own legs.

That's a good idea...

No way... what's going on?!

I'm the one who entrusted you with the power!

You're such an idiot.

How could you control the 'true Demon King' once he's awakened?

NO!!!

Wait...

...after-

all...

...

You're my son come to think of it...

Of course you would have such an ability...

This is the first time I've felt a close connection to my own son...

I'm going to grant you the freedom. This world that I have created...

You can choose to save it, or annihilate it...

No matter what you choose,

I will not stop you...

White crow...

please take care of... Kurou.

Hi-
yo...

what
happ-
ened?

Your father
and mother...

What
do you
mean?

...Who
are they?

...Kur-
ou...

have you
forgotten
them?

is disappearing
day by day.

Kurou's
memory..

The world
is also
disappearing
bit by bit...

Huh?

This is how
the Demon
King destroys
the world...

Yes...

.....

Have you really... forgotten?

How did this happen...?

Have you forgotten who your father and mother are?

But you remembered Haine when he disappeared!

.....

.....

Don't tell me...

He is very observant and is aware of the goddess' loneliness. He fell in love with the goddess and even made her cry. Although he's not outstanding, he is a wonderful person.

Come to think of it, Hiyo's father Shou almost lost his life when he was young and Yasha was the one who saved him

Actually I don't know any of those people you have mentioned...

thus I didn't dare admit...

...I was afraid you'd be even more upset,

You didn't remember who Haine or the Principal were after they dis-appeared, am I right?

Unbelievable...

...I didn't expect gentle Kurou to be actually the terrifying Demon King...

I don't know what to do if you start crying...

Don't cry...

Where are the rest of our classmates?

Jirou... you're here. Hiyo...

Yuki...thank goodness

Kurou.

...They have disappeared...

They disappeared right in front of us...

Jiro?

...We saw.

The whole incident that just happen-ed...

Are these all your doing?

Are you going to make everyone disappear,

like you did to your parents?

Say something, Kurou!

.....

Get lost!

Gawk! Gawk!

Gawk..

Frankly, I like this couple a lot.

It doesn't matter to me anymore.

Thank you, Eigatsu... I'm fine.

Kurou?

Tell me
Hiyo...

Am I the
Demon King?

I see...

I'm
right...

Because I...

was afraid of losing you, Hiyo...

...Why?

Why did things turn out this way?

The outcast who doesn't have wings...

Huh?

Curl up and die! Bastard!

Are you sure you belong to the Tenma Crow clan?

You're such a mess...I feel disgusted, just looking at you!

You don't need to worry. He won't be able to survive much longer...

How is it possible that we can have a descendant like him in our clan of pure nobility...?

At that time,

I met you...

I always wondered everyday, why I was born into this world...

using any possible means...

That's why I'm determined to protect you at all costs...

You're the one who gave me the meaning for my existence.

But, your white wings have attracted many loathsome monsters...

However, the world is way too big.. It's difficult to anticipate what kind of monster will be attacking you next...I might not be able to win every time...

I must become stronger...

What if I don't win...

What's going to happen to Hiyo...?

As I was worrying about it...

I heard a "voice".

Kurou...

You can become the Demon King, and destroy the entire world.

Destroy... the world?

What should I do?

...I believe you have the capa-bility...

But later on, you've got to be independent.

I can start you off by helping you....

Don't you agree with me?

Wouldn't it be easier if you just destroyed the entire world...?

This world is too big. Your beloved white crow is so vulnerable to attacks

What kind of nonsense are you spouting, Kurou?

... As long as all the humans, monsters...

cities, mother nature...

everything will be destroyed...

In other words,

you want Hiyo and yourself, to be the only ones left in this world!

!!

Exactly...

No, Kurou!
I beg you,
stop this!

A world like this...

This world will not be fun anymore!

Fun?

Kurou, I like you very much...

but...

I want to be with Jiro, Yuki and all my class-mates,

including my parents, as well as everyone I have met or have yet to meet...

Didn't you agree with me last time?

.....

I...

I...

I want everyone to have a blissful and enjoyable life...

Ah...

Kurou...

Jiro!
Yuki!

Kurou!

...Listen to me, Kurou.

Even though we knew each other for a long time...

Don't disappear! Please don't disappear!

No...I can't stop this...

this is the first time you expressed your true feelings.

I'm very happy that you finally expressed your true feelings.

You always act cool.

Sometimes we're upset since we never know what's on your mind.

So, Kurou...

I'll give you credit for that!

Furthermore, we get to see you cry.

let's be friends again, the next time we meet each other!

Huh?

In the end, we still need the 'power of love'.

Hiyo...

. . .

Heh
Heh

Your white feathers... can I have one?

Hiyo...

In this beautiful world,

all that's left is Kurou...

and me...

Eh, okay.

Here...

So beautiful...

...Yes, I know.

There's no way it can be true...

But...

That's just a legend.

I heard that the white crow's feathers can fulfill any wish...

Well...

...What?

But there's something that is true in the legend...

That is...

the only one that can defeat the formidable Demon King...

AH!

is the White Crow.

Kill me with the sword.

This is...

This is the only way to reverse the destruction of the world!

Defeat me while I have the demonic power under control. If you do that, then the Demon King's lover, the white crow, will be able to live on.

Jiro,
Yuki,
your
parents,
your
friends...

Everyone
will be
returned
to you.

...I foresee...
you'll grow up
and become a
beautiful white
crow...

You can
perceive this
as your
responsibility...

In other words, you
need to fulfill your
duties as the white
crow...this is your
responsibility.

That's right...
just push it in.

Even you're in an
indescribable agony.

Only you
can do this,

Hiyo...

You have to
save the world.

That's right...
just push it in.

You can resurrect the world as soon as you kill me...

Only you, the white crow, can do this, Hiyo!

Hurry up,
White Crow!

Kill the
Demon King!

If he was never born in this world...

It would be great if he didn't exist.

He burnt down our villages.

This is...the responsibility of a white crow...

Only you can do this...

This is the responsibility of the white crow.

Kill him!

Kill him!

Kill him!

Kill him!

Kill the Demon King!

Only you can do this.

Kill the Demon King!

To save this world...

Noisy...

It's so noisy!

Who do you think I am?

I'm Hiyo Oozora!

Even if everyone pleads with me,

Kill Kurou...

it doesn't matter no matter how amazing or noble the person is...

I'll never do that!

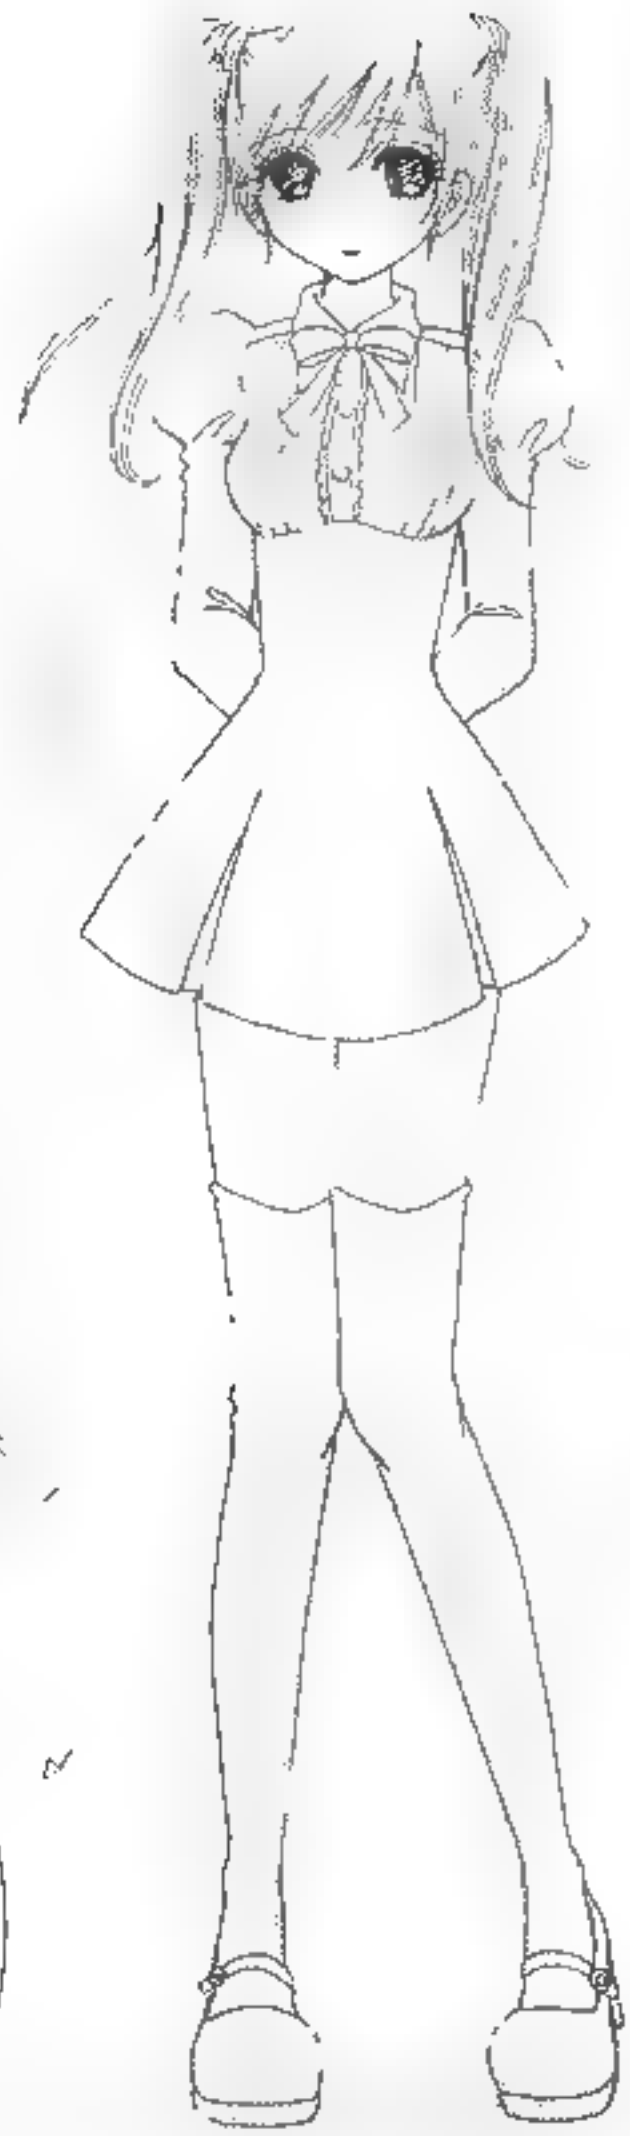
I'll never obey him!

So, this weapon...

I don't need this!

Kurou...the Demon King is not as terrible as what everyone portrayed him to be.

He did this because he was deeply in love with his lover...



So, the white crow didn't want to defeat the Demon King...

She wanted to save him.

Exactly the same way as Demon King trying his best to protect the white crow.

Both must exist as a pair.

Like the night and day...

Instead, it's just that they play different roles...

This has nothing to do with who's in the right or wrong.

Do you mean that if you don't exist, then the world will be saved?

I did things that are irreversible...

But, I...

Hiyo...

This will not save me at all!

Then there's no meaning in this world for me!

So,

I've decided to be with you and everyone...

No one should be left out. Let's save this world together.

reaches out

But... how can we achieve this...?

I tried to spread my wings, but it's fruitless.

So, I was thinking...

Perhaps it's because I smashed the sword...

I'm left with only this last feather...

This is...

This might be the last piece of power left in me.

The white crow's feather...

can fulfill any wish...

Let's make a wish together...

I beg you, Kurou.

So, please help me...

But this will be my first and also last opportunity.

...I feel rather apprehensive since this is my feather...

Let's create a new legend!

You're right.

Nothing is impossible when the Demon King and the white crow combine forces.

Yeah!

But if anyone
is listening...

Even the goddess
has disappeared
in this world,

please listen
to our only
wish.

we don't know
who else can
fulfill our wish.

Even though
everything
doesn't always
happen the
way I want,

Afterall...

I still
miss
them...

these are
my cherished
moments.

Let both of us return to those cherished times...

Let this world...

be reborn with
night and day
once again...

Eh?

Father... is he here too?

What's this nonsense? Are you still asleep?

Ah, Hiyo... go and wake up your father.

Komugi, sorry for making you wait for her every morning...

Hurry up and get ready for school!

Ah...yes!

good morning!

Hiyo...

Eh...I feel uneasy...

Take my uniform as an example..

...Hiyo, what's wrong with you? You seem to be in a daze...

I feel that I've forgotten something important...

Hiyo, Komugi!

Eh...this is our school.

Huh... Where am I?

Morning,
Hiyo!

Why are
you always
in a daze?

That's right.
Afterall,
you saved
the world.

Can you
be more
gallant?

Huh?

Good morning, Hiyo!

Everyone...

You didn't leave anyone out.

You saved everyone...

you managed to achieve it.

What the white crow couldn't overcome in the legend,

Ah...

Kurou!

Though there are slight differences from the original legend.

Even though the human and the monster worlds are now combined...

What?! I can create the world too!

Copycat!

You know...

There can be more than one god.

Those kids are extra-ordinary.

I spent more than ten thousand years learning to understand this, but they could grasp it instantly.

!?

Huh? Did he say 'ten thousand'?

This is disturbing. This is not something a normal person can understand...

No wonder I cannot foresee his future or look into his past...

White and black wings?

...Who is this guy?

Don't you agree, Hiyo?

Flapping

Return Hiyo to us

When there's a will, there's a way. This world is fantastic. Don't you agree, Kurou?

We shouldn't be compl-acent.

Afterall, we've just created this world.

We don't know how stable it is.

Because we are...

If there's any problem, we can resolve it together.

the most powerful

So this is the final chapter of Love Monster. Goodbye Hiyo, Kurou and everyone else!

Some naming notes:

Kurou - Can be spelled Kurou or Kouru.

Maki - Her actual first name is Tamaki, but we used her last name, Maki, for the releases.

Tomoko - Haine's mermaid girlfriends name can also be translated as Sakano.

The Oozora Family - In the beach arc I accidentally put Hiyo as their last name. I was incorrect their proper last name is Oozora, Hiyo is Hiyoko's (our heroines) first name. Also her dad is Shou, not Xiang! That's the Chinese spelling of his name.

Gin - His first name can be spelled either Jirou or Jiro, though sometimes I just used the shortening of his last name Gin (instead of Gintorou).

Is currently seeking translators for new projects:

Traditional Chinese to English and
Japanese to English translators to
help us with a few of our projects.

We are more than willing to work with either new or experienced translators. Any interested parties may email awillfulmuse@gmail.com or visit the "site" http://community.livejournal.com/awillfulmuse/
